Publisher's Note

It is a fact well known to the devotees of Bhagawan Sri Sathya Sai Baba that no celebrations, festivals or special functions will be considered complete without the blessings of Bhagawan in the form of His Discourses. Such discourses cover a wide variety of subjects centering on Man and his spiritual progress which alone can confer peace and joy on him eternally. This shower of nectar sweetens every subject discussed because of its natural qualities of unique presentation and universal appeal. Even a high philosophical point is made simple, understandable, enjoyable and fit for consumption by the layman. Examples and anecdotes are drawn from every day happenings and familiar but meaningful stories related to the great epics like the Ramayana and the Mahabharata. In short it is a grand feast serving all kinds of delicacies contributing to the health and well being of heart and mind alike.

The present volume, 34 in the series, is a compilation of 24 such scintillating discourses during the year 2001. The discourses relating to the Dussera of the relevant year are not included in this volume as they are bunched and published in a separate volume.

Paragraph headings and a bigger font continue to be adopted here to suit easy reading by elderly persons.

The Book Trust prayerfully presents this volume at the Lotus Feet of Bhagawan for the benefit and enjoyment of the millions, who adore HIM.
