Publisher's Note

The various festivals that punctuate the Indian calendar in a year invariably bring with them refreshing showers of Wisdom in the form of Discourses from the Divine. This invaluable gift of grace unfailingly reaches millions all over the world, soothing the drooping hearts and rejuvenating the palsied nerves of the listeners and readers alike.

The present compilation of 19 such discourses delivered during the year 2006 which constitute the 39th volume of 'Sathya Sai Speaks' is yet another instalment of His benediction. Moral reconstruction of human society being the avowed mission of the *Avatar*, these discourses richly contribute to a strong ethical fabric of human society. Though some of them are couched in a language for the younger generation, they are bound to impact the manners and habits of the grownups as well.

This compilation does not include the ten discourses delivered during *Ati Rudra Maha Yajna* in August 2006, as they have been clubbed together and published as a separate book.

The Book Trust hopes that the readers will receive this volume with the same warmth and delight with which the earlier ones were received.
